The American Red Cross...
Always there...
touching more lives,
in new ways...
under the same trusted symbol.

Dear Mr. Engelke:

Thank you for your gift of \$300.00 to the American Red Cross - Dallas Area Chapter which we received on September 23, 2008. We are grateful to have your support and the ability to continue helping families in life-threatening emergencies.

American Red Cross provides relief to victims of disaster. Last year, 848 families were affected by home fires and other disasters in our own community and received assistance from our all-volunteer response team. The families were provided temporary housing as well as funds to purchase food and clothing. The assistance they received allowed them to recover and resume their normal daily activities.

We enable military families to stay in touch when their loved ones are deployed. With your contribution, we are able to continue providing worldwide communications services to members of our U.S. Armed Forces.

Because our community relies on the Red Cross for reliable health and safety education, we deliver a wide range of first aid, CPR, AED, aquatics and HIV/AIDS courses that cater to our very diverse population.

Your gift will allow us to continue to provide these critical services in our community. We hope to have your trust and support for many years to come.

Sincerely,

Cheryl Sutterfield-Jones, CEO
Dallas Area Chapter
