Dear Friends,

We cannot thank you enough for the \$11,200.00 you donated in sponsorship for our bus. Your support is greatly appreciated, and we are honored to have such a wonderful company as part of our community.

As you know, times are tough, and the income of most of our membership reflects the economy. We need donations to help provide a safe place for children to come, because without us (and you), they would have no other place to go. And just for your information, our members are thankful they get to come here. They have a great time, are dedicated members, and are grateful for the opportunity that has been given to them. Your money is not being wasted, and is making a positive difference.

We have struggled this year with our funding. Our Club members are wonderful children, inspiring us to continue to work as hard as we possible can to make sure they have a good place to go when they cannot go home, and without our bus, we couldn't pick up as many up from school, or take them on field trips during the summer.

I can't emphasize enough that it is due to community involvement, such as yours, that enables us to provide the services so badly needed by many of our club members. Each dollar raised goes to maintaining and improving the facilities, equipment and programs we provide.

See you soon, and again, we are thankful for friends like you in the community.

Sincerely,
