

VETERANS' DISCOUNT APPLICATION

The Burned Veterans' Discount Program provides for a discount of up to \$100 to qualified Veterans residing in the CoServ Electric service area for the cost of electric usage during the months of May to October, with the credit applied to the following month's billing statement. In order to be eligible, all the following conditions must be met through annual renewal:

- Applicant must be a military Veteran who has a significantly decreased ability to regulate his or her body's core temperature because of severe burns received during armed conflict or in combat.
• Applicant must provide annual confirmation from Physician that the Applicant has a significantly decreased ability to regulate his or her body's core temperature due to severe burns.
• The discount may only be used on the Applicant's electric account at the primary residence where he/she currently resides. The discount will apply even if the Veteran is not the Member of record.

If the Applicant meets the above-stated conditions, the Applicant shall complete Part A. Part B must be completed and submitted by a physician of a military medical facility indicating that the veteran meets the medical condition requirement.

Please ensure all information is correct and provided in a timely manner. Applications will be processed within 30 days with the discount beginning on the next applicable billing cycle after approval. A confirmation letter will be sent to the applicant once the application is processed.
