CoServ Electric is different. Why? Because as a cooperative, we oversee this entire system—the meters, lines, poles, transformers, and more. We maintain our equipment every day with you in mind—knowing that you count on us. Dedicated local Employees answer the phone and skilled linemen come running to restore power as quickly as possible when weather causes service disruptions.

CoServ Employees are your neighbors and friends. We live here, and we know this system like the back of our hand. **Trust CoServ to be there when you need us.**
