**Independent Auditor's Report**

Board of Directors  
CoServ Charitable Foundation  
Corinth, Texas

We have audited the accompanying financial statements of CoServ Charitable Foundation (the Foundation), which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CoServ Charitable Foundation as of December 31, 2019 and 2018, and the results of their operation and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**COSERV CHARITABLE FOUNDATION**  
**NOTES TO FINANCIAL STATEMENTS**

**1. Summary of Significant Accounting Policies**

**Nature of Activities**

The purpose of CoServ Charitable Foundation (the Foundation), is the accumulation and disbursement of funds for charitable purposes primarily in, but not limited to, the service area of Denton County Electric Cooperative, Inc., d/b/a CoServ Electric (the Cooperative) and CoServ Gas, L.P. (Gas). Upon dissolution of the Foundation, any remaining funds shall be distributed for charitable purposes.

The Foundation is a non-profit organization. Exemption from federal income taxes under Internal Revenue Code 501(c)(3) has been obtained.

**Basis of Accounting**

The Foundation uses the accrual method of accounting. Revenues are recognized when earned, and expenses are recognized when incurred.

**Financial Statement Presentation**

In 2018, the Foundation adopted FASB Accounting Standards Update (ASU) No. 2016-14, Not-for-Profit Entities. The Foundation is required to classify net assets and revenues, expenses, and gains and losses based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

**Net assets with donor restrictions:** Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. The Foundation does not have any net assets with donor restrictions.

**Net assets without donor restrictions:** Net assets not subject to donor-imposed restrictions. Net assets without donor restrictions are currently available for operating purposes under the direction of the board, designated by the board for specific use, or invested in property and equipment.

Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires, restricted net assets are reclassified to net assets without donor restrictions.

**COSERV CHARITABLE FOUNDATION**  
**NOTES TO FINANCIAL STATEMENTS**

**Group Concentration of Credit Risk**

The Foundation maintains both non-interest and interest bearing accounts at FDIC insured institutions and at times deposits exceeded the insured amounts.

**Contributions**

The Foundation also follows accounting principles generally accepted in the United States of America that require the recognition of contributions when they are pledged.

**Cash and Cash Equivalents**

For purpose of the statement of cash flows, cash and cash equivalents include cash – general.

**Uncertain Tax Positions**

The Foundation has adopted the “uncertain tax positions” provisions of accounting principles generally accepted in the United States of America. The primary tax position of the Foundation is its filing status as a tax exempt entity. The Foundation determined that it is more likely than not that its tax positions will be sustained upon examination by the Internal Revenue Service (IRS), or other State taxing authorities. The Foundation is no longer subject to examinations by federal taxing authorities for years before 2016. There were no penalties or interest recognized during the years ended December 31, 2019 and 2018.

**Functional Allocation Expenses**

The costs of providing programs and activities have been summarized on a functional basis in the statement of activities.

**2. Contributions**

The major source of contributions is from a program established by the Board of Directors of the Cooperative and Gas which allows participating members/customers to round up their utility bills to the next highest dollar. The funds generated by this participation are donated to the Foundation. The boards of the Cooperative and Gas have designated these funds be used for charitable purposes solely in the service area of the Cooperative and Gas, which is primarily a six county area including and surrounding Denton County, Texas.

**3. Recently Adopted Accounting Pronouncements**

In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers, Topic 606*, which provides a new framework for the recognition of revenue. The Foundation implemented the guidance on January 1, 2019. Results and disclosures for reporting periods beginning after December 31, 2018 are presented in accordance with prior accounting guidance. The implementation did not have a material impact on the Foundation’s financial statements, other than increased disclosures regarding revenues related to contracts with customers.

-8-  
**COSERV CHARITABLE FOUNDATION**  
**NOTES TO FINANCIAL STATEMENTS**

**4. Liquidity and Availability of Financial Assets**

The Foundation has total financial assets of \$474,714 and \$407,530 as of December 31, 2019 and 2018, respectively, which consist of cash – general. These are the financial assets that are available to meet cash needs for expenditures within one year.

**5. Related Party Transactions**

The Foundation and the Cooperative share employees and office space, but are not financially interrelated organizations. Cooperative employees maintain the financial records of the Foundation at no charge. Additionally, all general and administrative expenses of the Foundations are provided by the Cooperative. The value of these services is not recognized by the Foundation. The Board of Directors of the Foundation are elected by the Board of the Cooperative. Transactions impacting the Foundation, Cooperative, and Gas include the collection and transfer of contributions from members and employees of the Cooperative and Gas.

**6. Subsequent Events**

The Foundation has evaluated subsequent events through April 2, 2020, the date which the financial statements were available to be issued.

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan, China and has since spread to other countries, including the U.S. Subsequent to year end, the World Health Organization characterized COVID-19 as a pandemic on March 11, 2020. In addition, multiple jurisdictions in the U.S. have declared states of emergency. There has been no material financial impact to the Foundation's operations resulting from the pandemic to date. Future potential impacts include disruptions or restrictions on our employees' ability to work, reduced consumer demand for energy, and uncertainty in customers' ability to pay their monthly bills in a timely fashion. Changes to our operating environment may also be impacted. These changes may impact operating costs and reduce net income. It is anticipated that these impacts may continue for some time, and any future effects of these issues are unknown.
