Independent Auditor's Report

Board of Directors
CoServ Charitable Foundation
Corinth, Texas

We have audited the accompanying financial statements of CoServ Charitable Foundation (the Foundation), which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CoServ Charitable Foundation as of December 31, 2020 and 2019, and the results of their operation and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

COSERV CHARITABLE FOUNDATION
NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

Nature of Activities

The purpose of CoServ Charitable Foundation (the Foundation), is the accumulation and disbursement of funds for charitable purposes primarily in, but not limited to, the service area of Denton County Electric Cooperative, Inc., d/b/a CoServ Electric (the Cooperative) and CoServ Gas, L.P. (Gas). Upon dissolution of the Foundation, any remaining funds shall be distributed for charitable purposes.

The Foundation is a non-profit organization. Exemption from federal income taxes under Internal Revenue Code 501(c)(3) has been obtained.

Basis of Accounting

The Foundation uses the accrual method of accounting. Revenues are recognized when earned, and expenses are recognized when incurred.

Financial Statement Presentation

The Foundation has adopted FASB Accounting Standards Update (ASU) No. 2016-14, Not-for-Profit Entities. The Foundation is required to classify net assets and revenues, expenses, and gains and losses based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

Net assets with donor restrictions: Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. The Foundation does not have any net assets with donor restrictions.

Net assets without donor restrictions: Net assets not subject to donor-imposed restrictions. Net assets without donor restrictions are currently available for operating purposes under the direction of the board, designated by the board for specific use, or invested in property and equipment.

Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires, restricted net assets are reclassified to net assets without donor restrictions.

COSERV CHARITABLE FOUNDATION
NOTES TO FINANCIAL STATEMENTS

Group Concentration of Credit Risk

The cash balances maintained by the Foundation are insured by the FDIC. At times during the year, balances exceeded the insured amounts.

Cash and Cash Equivalents

For purpose of the statement of cash flows, cash and cash equivalents include cash – general.

Uncertain Tax Positions

The Foundation has adopted the “uncertain tax positions” provisions of accounting principles generally accepted in the United States of America. The primary tax position of the Foundation is its filing status as a tax exempt entity. The Foundation determined that it is more likely than not that its tax positions will be sustained upon examination by the Internal Revenue Service (IRS), or other State taxing authorities. The Foundation is no longer subject to examinations by federal taxing authorities for years before 2017. There were no penalties or interest recognized during the years ended December 31, 2020 and 2019.

Functional Allocation Expenses

The costs of providing programs and activities have been summarized on a functional basis in the statement of activities.

2. Contributions

The major source of contributions is from a program established by the Board of Directors of the Cooperative and Gas which allows participating members/customers to round up their utility bills to the next highest dollar. The funds generated by this participation are donated to the Foundation. The boards of the Cooperative and Gas have designated these funds be used for charitable purposes solely in the service area of the Cooperative and Gas, which is primarily a six county area including and surrounding Denton County, Texas.

In 2020, due to COVID-19 pandemic, the annual golf fundraising event and some other fundraising events did not occur.

3. Liquidity and Availability of Financial Assets

The Foundation has total financial assets of \$627,335 and \$474,714 as of December 31, 2020 and 2019, respectively, which consist of cash – general. These are the financial assets that are available to meet cash needs for expenditures within one year.

The Board of Directors of the Foundation meet periodically to review and approve grant requests. The approved grant requests are based upon availability of funds during that period.

4. Related Party Transactions

The Foundation and the Cooperative share employees and office space, but are not financially interrelated organizations. Cooperative employees maintain the financial records of the Foundation at no charge. Additionally, all general and administrative expenses of the Foundations are provided by the Cooperative. The value of these services is not recognized by the Foundation. The Board of Directors of the Foundation are elected by the Board of the Cooperative. Transactions impacting the Foundation, Cooperative, and Gas include the collection and transfer of contributions from members and employees of the Cooperative and Gas.

5. Subsequent Events

The Foundation has evaluated subsequent events through April 6, 2021, the date which the financial statements were available to be issued.
